

# Telling the time

1. What time is it? Draw the hands of the clock according to the time below

 <p>It is half past eleven</p>	 <p>It is three o'clock</p>	 <p>It is twenty to seven</p>	 <p>It is ten past one</p>
 <p>It is a quarter to eight</p>	 <p>It is five thirty</p>	 <p>It is twenty to two</p>	 <p>It is twelve o'clock</p>

## iFamily time!

2. With the help of your family answer the questions.

What time do we usually have lunch?

---

What time do we go to bed?

---

What time do we play together?

---

What time do we watch TV together?

---

What time do we have breakfast?

---

3. Now, cut out the parts of the clock and ask a friend or someone in your family to tell you the time and how it to them using the clock you create!

What time is it?
