School objects

Purpose: ❖ Identify some school objects and their initial letter to make the students more aware of the phonics.

❖ Show students some of the school supplies you usually use: a pencil, a pen, an eraser, a notebook, a marker, colors, a pair of scissors. Practice the question: what is this?

Pre:

❖ Use the same objects to describe what you can do with them:

- I can write with the pencil or the marker.
- I can color with the crayons.
- I can erase with the eraser.

❖ Ask further questions to give more characteristics:

- what color is the pencil? What colors do you see? What color is the eraser?

❖ Share the video to refresh/practice the vocabulary.

While:

❖ Share the flashcards and ask students to say the item after you say the initial letter and some information, like the color or what you can do with it:

- This object starts with P, it is yellow, you can write.
- This object is blue, you can cut paper.

- ❖ Practice a little the sounds of the initial letters. Ask students if there are repeated sounds in the names of the objects.
- ❖ Use the worksheet *Choose beginning* sound to practice the sounds.
- ❖ With the *School supplies circle and color* worksheet, students circle the item you say and then color it.
- ❖ The teacher chooses the item for them to circle.

Tip:

mimic the actions you can do with the objects.

After:

❖ Tell students you are having a race. You say the name of a school supply and they need to show it to you: Go and get a blue color/ go and get an eraser/ go and get a notebook

❖ Ask them to bring their pencil case (show yours so they know what they need to get). Ask the question:

- What's in your pencil case? I have ...
- Elicit answers: an eraser, a pencil, 2 color pencils. Model answers for students.

❖ With the help of a person in your family, work on the puzzle to find school objects. Explore the ones you have in your house, the ones you use and the ones you don't use.
